

Pailo

Design by Allermuir

Pailo provides a solution for both formal and informal working styles, taking a softer approach to the more formal bench desking systems.

Design

Design by Allermuir

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimize the impact on the world around us.

They come from all over the world, but are based in our Design Centre located in a quiet Lancashire village just outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test centre and prototyping lab.
