

Tibo

Design by Allermuir Design Studio

Tibo is a combined bench and table system in 3 sizes for indoor and outdoor use. The objective was to find a way to provide the easiest and most natural interaction between people and in doing so demonstrate that intelligent design can beneficially influence behaviour.

Design

Allermuir Design Studio

Our team of talented in house designers is responsible for creating elegant, innovative furniture designs that not only look beautiful, but minimize the impact on the world around us.

Constantly exploring new product trends and keeping up to date with the latest innovations in technology and materials, our design team creates world class designs of the highest quality.
